

Agegnehu Teshome Zerihun

Email: agteshome143@gmail.com

Mob.Phone: +251936948564/920989302

Linked In: <https://www.linkedin.com/in/agumir>

Research Interest and Experience

Multi-modal data processing, Image captioning and document understanding, Computer Vision, NLP, Low-cost AI, [Transfer, Active] deep learning

Education

Oct 2021 – Jul 2023 **MSc., Bahir Dar University, Ethiopia, Artificial Intelligence and Data Science**
CGPA=3.81, Thesis=VG - Thesis title: Amharic Caption Generation From Holy Pictures Using Deep Learning
Oct2015- Aug 2019 **BSc., Bule Hora University, Ethiopia, Computer Science**
CGPA=3.78 - Project title: Mobile Assisted Maternal Health Advisor Application

Work Experience

Sep 2024-now **Software Developer, Brana Software Solution PLC**
-Full stack developer using .NET, react and its branch's
-Project examples(Catering management, Property management, Table extraction and process...)
Mar 2023 – now **Lecturer, Mekdela Amba University**
-Project at web based human resource management using python django, SQLite
-Project on Barcode based one card system using android, java, python django, SQLite
- Research in the area of image processing and pattern recognition
- Teaching experience: Computer science courses(eg. Database systems and programming courses)
Aug 2023 – Feb 2024 **Lecturer, Mettu University, Mettu, Ethiopia**
- Research in the area of image processing and pattern recognition
- Teaching experience: Computer science courses(eg. Database systems and programming courses)
Oct 2021 – Jun 2023 **Researcher, Bahir Dar Institute of Technology, Computing Faculty, Bahir Dar, Ethiopia.**
- Research on Image Caption Generation
Oct 2020 – Sep 2021 **Assistant Lecturer Mettu University, Mettu, Ethiopia**
- Teaching experience: Computer science courses(eg. Database systems and programming courses)
Oct 2019 – Sep 2020 **Graduate Assistant, Mettu University, Mettu, Ethiopia**
- Teaching experience: Computer science courses(eg. Database systems and programming courses)

Project

Minor project

Notepad++ using JAVA <input type="checkbox"/>	Grading System using C++ <input type="checkbox"/>
Banking System using C++ <input type="checkbox"/>	Hotel management system using Java <input type="checkbox"/>
Voting system using Java <input type="checkbox"/>	Clearance management system by using HTML, CSS, JavaScript, PHP <input type="checkbox"/>
OCR, Word sense disambiguation, Emotion recognition using Deep Learning algorithms	

Major project ☐

- Mobile Assisted Maternal Health Application, Barcode Based One Card System
- Web Based Human Resource Management System
- Image Caption Generation Application

Certificates

- Yearly Project winner certificate
- Internet of Things(IOT), Cyber Security
- volunteer service on education, health relates(3)

Teaching Experience & Interest

Fundamentals of Programming
Fundamentals of Database systems
Advanced Database systems
Data Structure and Algorithm
Software project management

HTML, Computer Vision, MYSQL, SQL, SQLite
PHP, Image Processing, Mobile App Development
CSS, AI, ML, DL, Python, Django
Object Oriented Programming
Advance Programming(Java)

TEMPORARY CERTIFICATE OF GRADUATION

This is to certify that

AGEGNEHU TESHOME ZERIHUN

Graduated from Bule Hora University from the College of

Informatics

and Obtained BSc Degree in Computer Science with

CGPA: 3.78

on August 05/2019

The original certificate of graduation has been given
pending the printing and issuance of the actual diploma.

Letter of Recommendation

I am assistant Professor at the School of Information Science in Addis Ababa University, Ethiopia. It gives me a great pleasure to recommend Agegnehu Teshome whom I have had the chance of knowing as postgraduate student in Artificial intelligence and Data Science MSc Program at Bahir Dar University when I was teaching Computer Vision and Digital image Processing Course as a guest professor. I have also supervised Agegnehu while he was conducting his research on "Amharic Caption Generation for Holy Pictures Using Deep Learning".

I observed him closely as his instructor as well as his research supervisor and found him to be highly motivated, capable and hardworking with a solid background in analytic ability and logical reasoning. He impressed me a lot with his dedication, commitment, and enthusiasm while carrying out individual and group assignments as well as conducting his research.

Agegnehu is well behaved and emotionally strong. His conduct and character has been excellent throughout my contact period. It is therefore without any reservation that I encourage you to look upon his application favorably. I am also confident that he will succeed in further studies in his area of specialization.

Sincerely,

Dereje Teferi (PhD)

Head, School of Information Science

To Whom It May Concern:

This letter certifies that Mr.AGEGNEHU TESHOME was an employee in the role of assistant lecturer in computer science department with Mettu university during the period beginning 01/02/2012 E.C to present.

During his time with Mettu university, Mr.AGEGNEHU TESHOME has remained dedicated and loyal to his work and responsibilities with our university. He is professionally sound and hard-working whose dedication in taking contribution and initiative for the organization has proven helpful in the establishment repeatedly. He has done an exemplary job while in this role. Mr.AGEGNEHU TESHOME has always maintained a professional and courteous attitude and appearance while with our university.

We wish him good luck for his future endeavors.

Sincerely,

CERTIFICATE OF APPRECIATION

THIS CERTIFICATE IS AWARDED TO

Agegnehu Teshome Zerihun

In recognition of his excellent Effort and achievements in being an outstanding students and competent from his college in final year project entitled as "**Mobile Assisted maternal Health Advisory Application**" and winning the competition from his college.
